

IMPORTANT NOTICE & DISCLAIMER

This publication and all included materials are provided for **educational and informational purposes only**.

The author is a healthcare personnel and writer and is **not acting as an attorney, housing provider, regulator, licensing authority, or enforcement agency**. Nothing in this publication should be interpreted as legal advice, regulatory advice, financial advice, or operational instruction.

Independent living models, housing classifications, lease structures, and related requirements vary by **federal, state, county, and local jurisdiction**. Readers are solely responsible for understanding and complying with all applicable laws, regulations, zoning rules, and licensing requirements in their area.

This publication does **not** establish a landlord-tenant relationship, service relationship, care relationship, or programmatic obligation of any kind. Any examples, document samples, explanations, or state-specific addenda are provided to support **general understanding of concepts only** and should not be relied upon as ready-to-use or jurisdiction-approved documents.

This publication does **not** guarantee compliance, approval, licensure, outcomes, or protection from

regulatory or legal action. Readers should consult qualified professionals (such as licensed attorneys, housing specialists, or appropriate regulatory authorities) before applying any concepts discussed.

By accessing or using this publication, the reader acknowledges and accepts these limitations.

DATA STORAGE & RECORD RESPONSIBILITY

This publication and related materials do not collect, store, transmit, manage, or process participant personal, financial, medical, or identifying information.

The Program Operator is solely responsible for the lawful collection, secure storage, confidentiality, and regulatory compliance of all participant records and information.

Use of this system does not create a data management, custodial, healthcare, fiduciary, or supervisory relationship between the Publisher and the Program Operator.
