Independent Living – Shared Occupancy (Non-Tenancy / Non-Care)

This Master Program License Agreement (“Agreement”) is entered into between Operator and the undersigned Participant (“Participant”) for participation in an independent shared housing arrangement. This Agreement establishes a revocable license to occupy and does not constitute a lease, rental agreement, or tenancy.

1. Purpose of Agreement

The purpose of this Agreement is to grant Participant **permission to occupy an assigned sleeping space** within a shared living environment **solely as an incident of participation in an independent living program**.

This Agreement is intended to:

- Facilitate temporary, conditional occupancy
 - Preserve participant autonomy
 - Avoid creation of any landlord–tenant relationship
 - Avoid provision of care, supervision, or assistance
 - Operate outside residential tenancy and housing licensure frameworks
-

2. Nature of the Legal Relationship

License to Occupy — Not a Lease

Participant is granted a **revocable, non-exclusive license** to occupy an assigned sleeping space within a shared residence.

This Agreement:

- Does **not** convey exclusive possession
- Does **not** create a property interest or estate
- Does **not** grant tenancy rights
- Does **not** create a landlord–tenant relationship
- Does **not** constitute a rental or lease agreement

Permission to occupy exists **only while this license remains in effect**.

3. Independent Living Declaration (No Care / No Supervision)

Participant acknowledges and agrees that:

- The Program provides **independent living only**
- Operator **does not provide**:
 - Supervision

- Medication management
 - Behavioral oversight
- Participant is **fully independent and self-directed**

- Daily living decisions

Nothing in this Agreement shall be construed as:

- Assisted living

Participant is assigned a **sleeping space**, not a private dwelling unit.

Participant understands:

- Rooms are shared

- Beds may be reassigned at any time
- Operator retains full control over space allocation
- No room, bed, or area is permanently assigned
- Occupancy is communal by design

This structure is fundamental to maintaining **non-tenancy status**.

5. Program Rules (Administrative Only)

Participant agrees to comply with **administrative house standards** necessary for shared living, including rules related to:

- Safety
- Cleanliness
- Noise
- Respect for shared space
- Prohibited conduct

These rules:

Any payment made in connection with this Agreement is a **program participation contribution**, not rent.

Payment:

- Does not create tenancy
- Does not establish exclusive possession

Source of Payment

Payments may be made by:

- Participant (including from SSI, SSDI, or other benefits)
- A representative payee
- A third-party organization
- A combination of the above

The **source, method, or timing of payment does not alter** the nature of this Agreement as a license.

7. No Security Deposit

No funds are accepted or held as a security deposit.

Any administrative or program fees:

- Are not housing deposits
- Are not prepaid rent

- Do not confer occupancy rights
-

8. Revocation of License

Because this Agreement is a license and not a lease:

- Residential landlord–tenant eviction procedures do **not** apply
- Participant has no right to remain based on payment, duration, or expectation

Upon revocation, Participant must vacate the premises promptly.

9. No Guarantee of Placement or Duration

Participant acknowledges:

- Occupancy is temporary and conditional
 - No minimum or maximum duration is promised
 - Continued permission depends on ongoing compliance
-

 - Participant disputes
 - Independent actions of others
-

11. Fair Housing & Disability Rights

Nothing in this Agreement waives rights under:

- The Fair Housing Act
- The Americans with Disabilities Act
- Applicable state or local civil rights laws

This Program operates on a **non-discriminatory basis**.

12. No Waiver / No Reliance

Failure by Operator to enforce any provision does not waive the right to enforce later.

Participant acknowledges no reliance on:

- Oral promises
 - Representations outside this Agreement
 - Expectations of tenancy or permanence
-

13. Severability & Intent

If any provision is recharacterized or deemed unenforceable:

- Remaining provisions remain in effect

 - No provision shall be expanded to create tenancy or care obligations
-

14. State Addendum Incorporated
