

MASTER LEASE AGREEMENT (ML)

Independent Shared Housing – Property Control Structure
NILPF Framework – Version 2.1 (2026)

This Master Lease Agreement (“Agreement”) is entered into by and between the Property Owner (“Owner”) and the Program Operator (“Operator”) for the lease of the residential real property described below (“Property”).

This Agreement establishes a private real property lease relationship between Owner and Operator only.

1. Purpose

Owner leases the entire Property to Operator for use as independent shared residential occupancy.

This Agreement governs the real property relationship only and does not regulate participant occupancy, which shall be governed separately by the Operator.

The Property shall not be used for the provision of:

- Medical care
- Assisted living
- Residential treatment
- Supervision or monitoring services
- Custodial care
- Licensed care services

The parties intend that the Property function as private independent housing consistent with applicable law.

2. Term

Lease Start Date:
Lease End Date:
Renewal terms:

3. Rent

Monthly Rent: \$
Due Date:
Late Fee: \$
Security Deposit (if any): \$

Rent constitutes fixed monthly consideration for the lease of the Property and is not dependent upon the number of occupants.

4. Exclusive Possession

Owner grants Operator exclusive possession of the Property during the lease term, subject to this Agreement.

Owner:

- Has no role in occupant selection
- Does not manage daily operations
- Provides no services to occupants
- Retains no supervisory authority over occupants

Operator alone administers occupancy arrangements and operational decisions.

5. Occupancy Structure

Operator may implement shared sleeping arrangements within the Property, subject to local zoning and occupancy laws.

Maximum total occupants:

Maximum per bedroom:

No occupant shall receive exclusive possession of any specific bedroom unless otherwise required by law.

Operator assumes full responsibility for ensuring occupancy levels comply with applicable zoning, fire, building, and safety codes.

6. Maintenance & Repairs

Operator responsible for:

- Routine maintenance
- Interior upkeep
- Minor repairs up to \$ occurrence

Owner responsible for:

- Structural systems
 - Roof
 - Foundation
 - Major mechanical systems
 - Repairs exceeding unless caused by Operator negligence
-

7. Utilities

Operator shall pay:

- ☐ Electric
- ☐ Water
- ☐ Gas
- ☐ Trash
- ☐ Internet

Owner shall pay:

8. Insurance

Operator shall maintain general liability insurance in the amount of \$ and list Owner as:

- ☐ Additional Insured
- ☐ Additional Interest

Owner shall maintain hazard insurance on the Property.

9. Liability

Each party remains responsible for its own acts and omissions.

Owner's responsibility is limited to property ownership obligations.

Operator's responsibility is limited to housing administration and property use.

Nothing in this Agreement limits liability where prohibited by applicable law.

10. Regulatory Compliance

The parties intend the Property to operate as Independent shared housing.

If any governmental authority determines that additional licensing, permitting, or regulatory compliance is required for Operator's activities, Operator shall be solely responsible for obtaining and maintaining such compliance.

Nothing in this Agreement authorizes unlawful operation.

11. Operational Independence

Operator shall operate independently and shall not represent Owner as a program sponsor, supervisor, or service provider.

All operational decisions remain solely with Operator.

12. Indemnification

Operator agrees to indemnify Owner for claims arising from Operator's operations, except where caused by Owner's gross negligence or willful misconduct.

13. Access

Owner may enter the Property with hours' notice.

Immediate entry permitted only in emergencies.

14. No Partnership

Nothing in this Agreement creates a partnership, joint venture, or agency relationship.
