Transitional Housing Compliance System™
NILPF Framework – 2026

OVERVIEW

This system provides the core documents required to structure and operate a transitional housing program using a compliant, program-aligned framework.

STEP-BY-STEP USE

Step 1 – Establish Authority

Complete and sign the **Board Resolution**

👉 This authorizes your nonprofit to enter into housing agreements

Step 2 – Secure Property

Execute the **Master Lease (ML)**
(LLC ↔ Nonprofit)

👉 This establishes control of the property

Step 3 – Participant Agreement

Use the **Master License Agreement (MLA)**

👉 This governs participant occupancy

Step 4 – Apply Program Rules

Attach the **Program Compliance Addendum**

👉 This defines structure, expectations, and program alignment

Step 5 – Program Coordination

Use the **Coordination Form**

👉 For referrals, VA coordination, or program placement

Step 6 – Determine Costs

Use the **Housing Cost Calculator**

👉 Enter your numbers to calculate:

- Total operating cost
 - Cost per participant
-

Step 7 – Financial Justification (When Needed)

Use the Waiver Financial Justification when requesting enhanced rates, supporting funding discussions, or explaining your program's cost structure.

👉 Copy your calculated numbers into the document

👉 Adjust all figures based on local **Fair Market Value (FMV)**

IMPORTANT NOTES

- All pricing must reflect local market conditions (FMV)
- Documents should be completed in the order listed above
- This system is designed for structured housing programs and program-based placements.
