

GPD COMPLIANCE ADDENDUM

(VA / Publicly Funded Transitional Housing Alignment Addendum) NILPF Framework – 2026

1. APPLICABILITY

This Addendum applies when a participant is placed within the Program through:

- U.S. Department of Veterans Affairs programs (including Grant and Per Diem)
- Continuum of Care (CoC) Program funded or coordinated placements
- Any publicly funded or referral-based housing program requiring enhanced compliance standards

This Addendum supplements the Master License Agreement and governs only in such cases.

2. NATURE OF OCCUPANCY (CLARIFICATION)

The Program maintains a structured, transitional housing model.

Participant occupancy shall be:

- Program-based
- Conditional upon participation and compliance
- Consistent with applicable federal, state, and local housing laws

Nothing in this Addendum is intended to create an unlawful housing arrangement or circumvent applicable tenant protections where required by law.

3. PARTICIPANT RIGHTS AND PROTECTIONS

Participants placed under applicable programs shall be afforded:

- Fair and non-discriminatory treatment
- Written notice of expectations and program standards
- Reasonable notice prior to termination of occupancy, except in cases involving safety risks
- Access to a grievance process

The Program operates in compliance with:

- Fair Housing Act
 - Americans with Disabilities Act
 - Applicable Arizona housing laws
-

4. NOTICE AND TERMINATION PROCEDURES

Standard Termination:

Participants shall receive written notice of termination, typically:

- 7 to 30 days, depending on circumstances and applicable law
-

Immediate Termination (Safety-Based):

Immediate removal may occur when:

- There is a credible threat to safety
- Serious violation of program standards occurs
- Behavior poses risk to other participants or property

All actions will be documented and handled in accordance with applicable law.

5. GRIEVANCE PROCEDURE

Participants may submit a grievance regarding:

- Program conditions
- Treatment by staff
- Housing-related concerns

Process:

1. Submit complaint in writing
2. Program reviews within a reasonable timeframe
3. Response provided with resolution or next steps

Documentation of grievances shall be maintained.

6. PROGRAM PARTICIPATION REQUIREMENTS

Participants agree to:

- Engage in program expectations
- Participate in case management or coordination (when applicable)
- Comply with reasonable house standards

Failure to maintain participation may result in review of continued occupancy.

7. VA AND PROGRAM COORDINATION

The Program may coordinate with:

- VA social workers
- Case managers
- External service providers

Coordination may include:

- Referral verification
- Progress updates
- Housing stability support

The Program does not provide:

- Medical care
 - Clinical treatment
 - Custodial services
-

8. FINANCIAL STRUCTURE CLARIFICATION

Where applicable:

- Housing costs may be supported through program funding, including VA-related funding
 - Participant contributions may be required
 - The Program does not act as a representative payee or control participant finances
-

9. COMPLIANCE WITH LAW

This Addendum shall be interpreted in a manner consistent with:

- Federal regulations
- Arizona state law
- Local housing ordinances

If any provision conflicts with applicable law, that provision shall be modified to comply while preserving the intent of the Program.

10. RELATIONSHIP TO MASTER LICENSE AGREEMENT

This Addendum:

- Supplements the Master License Agreement
- Applies only when required by funding or referral conditions
- Does not replace the core structure of the Program

All other terms of the Master License Agreement remain in full effect.
