

VA COORDINATION ACKNOWLEDGMENT

Transitional / Reentry Housing Program (GPD-Aligned)

PARTICIPANT INFORMATION

Participant Name: _____

Date of Birth: _____

Program Address: _____

Date: _____

◆ PURPOSE

This acknowledgment confirms the participant's understanding of how housing and supportive services are coordinated within a transitional or reentry housing program.

This program may involve coordination with the U.S. Department of Veterans Affairs and programs such as the Grant and Per Diem Program.

◆ STRUCTURE OF HOUSING AND SERVICES

The participant understands that this program operates under a **dual-entity structure**:

- The **Housing Provider (LLC)** provides the physical residence and property management
- The **Program Operator (501(c)(3))** provides program coordination, case management, and reentry support

These entities may coordinate but are **separate in function and responsibility**.

◆ PROGRAM PARTICIPATION & CASE MANAGEMENT

The participant acknowledges:

- Participation in program-related activities may be required
- Engagement with case management, goal-setting, and progress tracking may occur
- Services may be provided by the 501(c)(3) and/or external providers, including VA-affiliated personnel

Participation supports stability, accountability, and successful reintegration.

◆ ROLE OF THE HOUSING PROVIDER (LLC)

The participant understands that:

- The housing provider is responsible for the residence only
- The housing provider does **not provide medical, clinical, or custodial care**
- The housing provider may enforce house standards and maintain safety

The housing provider does not act as a case manager or service provider.

◆ INFORMATION SHARING & COORDINATION

The participant acknowledges and authorizes that:

- Relevant information may be shared between the Program Operator, VA, and housing provider **for coordination purposes only**
 - Information sharing is limited to what is necessary for:
 - Housing stability
 - Program participation
 - Safety and compliance
-

◆ FINANCIAL UNDERSTANDING

The participant understands:

- Housing costs may be supported through program funding, including VA-related funding
 - Participant contributions (if applicable) may be required
 - The housing provider does not manage or control participant finances
-

◆ **INDEPENDENCE & RESPONSIBILITY**

The participant remains responsible for:

- Personal decisions
- Healthcare
- Finances
- Daily living activities

This program does not create a custodial or institutional relationship.

◆ **ACKNOWLEDGMENT**

By signing below, the participant confirms:

- Understanding of the roles of both the housing provider and program operator
 - Agreement to participate in coordinated housing and program activities
 - Awareness of expectations related to program participation
-
